Here's what you need to do to become a member of the Mt Cheeseman Ski Club:

1. Complete our application form and include a passport style photo (preferably sent electronically).
2. Complete two work party days (this may be done as a weekend or two separate days) if you are an adult member – this is a great way to get to know other members and contribute to the running of the Club. If you are unable to complete your work party days then you need to pay the alternative levy of \$250 for two work party days with your subscription payment (\$125 per day).

Note that for additional work days you will receive vouchers that you can use for accommodation or ski/board lessons.

3. Pay your annual subscription.

As a member you will be issued with a photo ID season pass and will receive discounted accommodation and ski holiday rates, priority bookings, E-news and Cheeseman Chat.
